Sir

The Fisheries Technocrats Form Chennai is a registered organization functioning since 1991 with members who are serving/retired fisheries scientists, professionals, administrators, faculty and students from Universities and Colleges. Since 1999, an award in memory of the Founder Chairman and Patron of the Forum Mr. K. Chidambaram is presented to those who have made significant contribution for the development of fisheries in India (Please see the list of earlier awadees in Annexure I). The award carries a memento and a citation and it is open to Scientists/Individual or Collective .entrepreneurs/innovative farmers or fishers in India. The applicant(s) employed in any organization should be forwarded their application through their Head of the Organization / Department. Private and applications from Non-Government Organizations should be duly countersigned by any responsible Fisheries Officers/Experts

For the year 2015 two themes one on **Fisheries /Aquaculture Extension** and another on **Value addition in Fisheries** have been identified for the awards Those who have made significant contribution in the above mentioned fields may apply for the award by providing relevant information in the enclosed Proforma . A panel of External Experts will evaluate the contribution and based on their recommendation the awardee(s) will be selected.

The selected recipient of the award will be intimated regarding the date and time of award distribution. The Fisheries Technocrats Forum will bear the travel expense from their

residence to Chennai and back in the shortest route limited to second class A/C train fare and local hospitality will be provided to the awardee on request.

The last date for the receipt of the application is 31st December 2015.

You are requested to circulate this letter and proforma among your colleagues.
